End-User Certificate for Micronel Products

To whom it may concern

As a result of the revision of the Swiss Goods Export Law, Swiss companies are required to maintain an internal compliance program (ICP). Within the framework of this program, we are requested to conduct export surveys regarding product, destination, customer and intended use and to request the corresponding end-user certificates from our customers. We kindly ask you to fill in below questions and to print this document and return it signed and stamped to us by pdf.
